PETITIONING THE COURT

To modify the conditions of supervision as follows:

- 20 You shall abstain from alcohol and shall submit to testing (including urinalysis and Breathalyzer), as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from this substance.

CAUSE

Recent contact with Mr. Hadlock suggests that the above-mentioned special condition #20 is appropriate. The offender disclosed that he consumed alcohol to excess in an attempt to self-medicate due to his failing health. On August 11, 2011, the undersigned officer met with Mr. Hadlock's primary care physician at the Veterans Administration Medical Center in Spokane, Washington. The physician is of the opinion that the above-noted condition is appropriate.

Consequently, it is requested that the Court modify the conditions of supervision to include the above-referenced condition.

Alfred Hadlock was asked whether he would waive his right to a hearing and agree to the modifications as previously described. As indicated by the enclosed Waiver of Hearing to Modify Conditions of Supervised Release form, Mr. Hadlock has agreed to the proposed modifications.
